Why the YouTube content listings? I thought there might be some ham radio hobbyists among us who otherwise would be unaware of what exists out in cyber space. I invite you to enjoy what you find. I encourage sharing. Tell me about your discoveries and I will post them for the benefit of our readers.

Or, CARC Club Members may post your discoveries on the club's [groups.io/g/RadioClub-CARC](https://groups.io/g/RadioClub-CARC) site.

If you have Calendar items that you would like to share with your fellow Ham Radio hobbyists please send them to the Website Administrator – Andrew Forsyth AF3I.
